On or after that date, you can no longer obtain these part numbers directly from IBM. You can obtain these part numbers on an as-available basis through IBM Remarketers.

Part number withdrawal (for a program not withdrawn from marketing)

The IBM part numbers specified in this announcement will be withdrawn from marketing. IBM will accept orders for these part numbers no later than three days prior to the effective date of withdrawal. Normal marketing activities and educational support will not be available unless previous agreement exists between the customer and IBM.

Customers having these part numbers installed or on order will continue to receive program support in accordance with the applicable IBM agreement.

Reference information

Technical support

Refer to the Software support website for product support information

   http://www.ibm.com/software/support/

Technical support continues to be available. The end of support for these products will be announced a minimum of 12 months before the termination.

Announcement countries

All European, Middle Eastern and African countries.

Trademarks

IBM, Informix, Red Brick, DB2, C-ISAM, DataBlade, InfoSphere and pureScale are registered trademarks of IBM Corporation in the United States, other countries, or both.

Linux is a registered trademark of Linus Torvalds in the United States, other countries, or both.

UNIX is a registered trademark of The Open Group in the United States and other countries.
