Technical support

Remote Technical Support offered through this product's IBM Support offerings continues to be available.

Refer to the software support website for product support information

<http://www.ibm.com/software/support/>

Technical support continues to be available. The end of support for these products will be announced a minimum of 12 months before the termination.

Announcement countries

All European, Middle Eastern, and African countries.

Trademarks

IBM, Informix, DataBlade, Express, AIX, System i, zSeries and S/390 are registered trademarks of IBM Corporation in the United States, other countries, or both.

Linux is a registered trademark of Linus Torvalds in the United States, other countries, or both.

UNIX is a registered trademark of The Open Group in the United States and other countries.

Windows is a trademark of Microsoft Corporation in the United States, other countries, or both.

Other company, product, and service names may be trademarks or service marks of others.

Terms of use

IBM products and services which are announced and available in your country can be ordered under the applicable standard agreements, terms, conditions, and prices in effect at the time. IBM reserves the right to modify or withdraw this announcement at any time without notice. This announcement is provided for your information only. Reference to other products in this announcement does not necessarily imply those products are announced, or intend to be announced, in your country. Additional terms of use are located at:
