Part number withdrawal (for a program not withdrawn from marketing)

The IBM part numbers specified in this announcement will be withdrawn from marketing. IBM will accept orders for these part numbers no later than three days prior to the effective date of withdrawal. Normal marketing activities and educational support will not be available unless previous agreement exists between the customer and IBM.

Customers having these part numbers installed or on order will continue to receive program support in accordance with the applicable IBM agreement.

Technical support

For licensed products, Technical support continues to be available. The end of support for these products will be announced a minimum of 12 months before the termination. See the [IBM Support Portal](#) website for product support information.

For cloud service products, Technical support continues to be available during the subscription period in accordance with the applicable IBM agreement. See the [Client Success Portal](#) website for details.

Announcement countries

All European, Middle Eastern, and African countries, except Islamic Republic of Iran, Sudan, and Syrian Arab Republic.
